ACADIA
UNIVERSITY

ST. CATHERINES, ON

Brock University

UNIVERSITY OVERVIEW

Brock University is a comprehensive institution with rich academic programs and world-class research activity. Located in Ontario's scenic Niagara region on the traditional territory of the Haudenosaunee and Anishinaabe people, Brock is situated in a UNESCO Biosphere Reserve. With nearly 600 full-time faculty members and researchers, Brock's robust academic scope offers more than 70 undergraduate programs and 50 graduate programs in seven dynamic Faculties. The University's 19,000 students come from across Canada and around the world. Brock's renowned student experience is enriched by an emphasis on experiential education, as illustrated by community partnerships, volunteerism and one of Ontario's largest and most successful co-op programs. St. Catharines is an hour and a half from Toronto, 20 minutes to Niagara Falls and a few hours from the nation's capital, Ottawa. We also share a border with New York State. St. Catharines bears the name of the "Garden City", due to its 1,000 acres of parks, gardens, and trails.

KINGSTON, ON

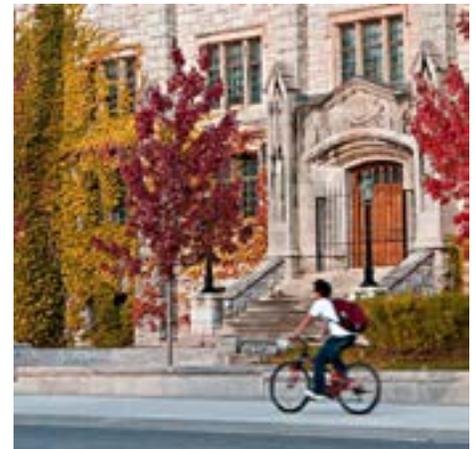

Queen's University

UNIVERSITY OVERVIEW

Founded in 1841, Queen's University is one of Canada's leading universities. Based in Kingston, Ontario, Queen's is a member of the prestigious U15 group of research-intensive universities and holds an international reputation for the outstanding academic quality of its faculty and students. In 2023 Queen's placed #1 in North America and #3 in the world in the Times Higher Education Impact Rankings.

Situated on the shore of Lake Ontario, Kingston provides the perfect place to call home, while still being within easy reach of Toronto and Montreal - two of Canada's largest cities.

Our campus-based university and large number of student clubs contribute to a warm and welcoming atmosphere, making it easy to get involved, make friends and become part of the Queen's community.

VICTORIA, BC

University of Victoria

UNIVERSITY OVERVIEW

Established in 1963 and located in Victoria on the BC coast, UVic is a leading research-intensive institution with internationally recognized research strengths including environment and sustainability, health and wellness, Indigenous-led scholarship, social justice, and technology. UVic is committed to being the Canadian research university that best integrates outstanding scholarship, engaged learning and real-life involvement to contribute to a better future for people and the planet. UVic hosts Ocean Networks Canada's deep-water seafloor research observatories VENUS and NEPTUNE, the Pacific Institute for Climate Solutions, and two Environment Canada labs. The Institute of Integrated Energy Systems is a leading center for research on sustainable energy solutions and alternative energy sources. UVic is also home to Canada's first and only Indigenous Law degree program and dedicated research centers for Indigenous and Environmental law. With UBC and SFU, UVic jointly founded and co-operates TRIUMF, Canada's national laboratory for particle and nuclear physics, housing the world's largest cyclotron. UVic operates ten academic faculties and schools including the Faculty of Law and Peter B. Gustavson School of Business.

TEMPE, AZ

Arizona State University

UNIVERSITY OVERVIEW

Arizona State University (ASU) is a comprehensive public research university located in the metropolitan Phoenix area, the fifth-largest city in the United States. Guided by its charter—measured not by whom it excludes, but by whom it includes and how they succeed—ASU is committed to excellence, access, and impact. It is recognized globally as a leading innovator in higher education, ranked #1 in the U.S. for innovation by U.S. News & World Report since 2016.

ASU enrolls over 140,000 students across its multiple campuses and online programs, with a diverse population representing all 50 states and more than 150 countries. Its commitment to inclusion is reflected in robust support services for first-generation students, transfer students, and learners from historically underrepresented backgrounds. ASU's faculty includes Nobel laureates, MacArthur Fellows, and members of prestigious national academies, contributing to its designation as an R1: Doctoral University with very high research activity by the Carnegie Classification.

ASU's academic structure includes 16 colleges and schools that offer more than 400 undergraduate majors and over 500 graduate degree programs and certificates. Areas of

AMERICAN
UNIVERSITY

WASHINGTON, D.C.

CLEMSON, SC

Clemson University

UNIVERSITY OVERVIEW

Clemson University first opened its doors in 1889 with a very clear vision: to “be a high seminary of learning in which the graduate of the common schools can commence, pursue and finish the course of studies terminating in thorough theoretic and practical instruction.” Thomas Green Clemson’s now famous words left to us in his will have guided the University’s actions through the years, from a college focusing on the art and science of agriculture to a university teaching students in more than 70 undergraduate and 100 graduate degree programs. More than 28,000 students call Clemson University “home” each academic year. Why? Because Clemson has a way of doing things differently. Clemson is more than a top-tier research university, more than big-time science and engineering, and more than course schedules and final exams. It’s about providing experiences and enrichment opportunities that create leaders, thinkers and entrepreneurs. Set in a college town with a beautiful backdrop of lakefronts and mountains, Clemson attracts students looking for a strong sense of community, school spirit and a love of winning -- in academics, in athletics and in life. We invite you to get more. We invite you to Clemson University.

LAKELAND, FL

Florida Polytechnic University

UNIVERSITY OVERVIEW

About Florida Polytechnic University: Florida Polytechnic University is ranked the No.1 public college in the Southeast United States for four years in a row and a top 20 public engineering program without a Ph.D. in the nation for two years in a row. It is accredited by the Southern Association of Colleges and Schools Commission on Colleges, and a member of the State University System of Florida. Florida Poly is the only state university dedicated exclusively to STEM and offers ABET-accredited degrees. Florida Poly is a powerful economic engine within the state of Florida, blending applied research with industry partnerships to give students an academically rigorous education with real-world relevance. Florida Poly's iconic Innovation, Science, and Technology Building, designed by world-renowned architect Dr. Santiago Calatrava, has won more than 20 global awards and was named one of the 16 most breathtaking buildings in the world.

ATLANTA, GA

Georgia Institute of Technology

UNIVERSITY OVERVIEW

The Georgia Institute of Technology is one of the nation's top public research universities with more than 50,000 students who study in person at the main campus in Atlanta, at off-campus instructional sites such as Georgia Tech-Europe in France, and through distance and online learning. Students represent 50 states and 149 countries. Georgia Tech's engineering and computing Colleges are the largest and among the highest-ranked in the nation. The Institute also offers outstanding programs in business, design, liberal arts, sciences, and lifetime learning. With \$1.37 billion annually in research awards across all seven Colleges and the Georgia Tech Research Institute (GTRI), Georgia Tech is among the nation's most research-intensive universities. It is an engine of economic development for the state of Georgia, the Southeast, and the nation. Georgia Tech's mission is to develop leaders who advance technology and improve the human condition. Its mission and strategic plan are focused on making a positive impact in the lives of people everywhere. For more than 139 years, the people of Georgia Tech have dared to imagine and then create solutions for a better future. The innovative culture and leadership continue, for Progress and Service for all.

ITHACA, NY

Ithaca College

UNIVERSITY OVERVIEW

Ithaca College is a private residential campus situated in the Finger Lakes region of New York State, offering more than 140 majors and minors through its five schools, and more than 200 student clubs and organizations. In addition to the main campus, IC has satellite programs in Los Angeles and London. Ithaca College's 4,600 undergraduate students come from 49 U.S. states, two U.S. territories, and 45 countries. The city of Ithaca is a thriving, culturally diverse city of 30,000 permanent residents, which nearly doubles in size with the student population. It has been ranked as the best college town in the United States with an eclectic downtown and thriving art, music, food, and theatre scenes. With a 5 out of 5 rating on the Campus Pride Index, IC is deeply committed to inclusive programs, policies, and services for LGBTQ+ students. Located within just a few miles of numerous gorges, waterfalls, and state parks, Ithaca provides ample opportunity to hike and explore the outdoors.

ATHENS, OH

Ohio University

UNIVERSITY OVERVIEW

Ohio University is the oldest public university in the state of Ohio. Established in 1804, we now have eight campuses and centers throughout the state. Our mission is to hold the door open for higher education so that all those eager to solve humanity's most urgent challenges might enter to learn. Our total enrollment is over 28,000 students, about 20,000 of which are undergraduates studying at our residential campus in Athens. We have been ranked the "Best Value Public University" in Ohio for five years in a row by U.S. News & World Report and are rated an R1: Very High Research Activity Institution by the Carnegie Foundation. We connect students with experiences and discovery that will help them think critically, care deeply, lead boldly, and ultimately depart to serve. We believe that a university education can and should be both academically excellent and affordable to all who seek it. We fully embrace that the educational experience, at its best, can and must ensure success for every student. We are confident that learning happens in community and through experiences, and we work to build both into all programs and modalities, in and out of the classroom. The University is committed to working with business and community partners, not by delivering knowledge already achieved but by collaborating to build new knowledge together. We recognize that our place in the world has value in our work – that what we can teach and learn in the heart of Appalachia can shape the success of our

PLATTSBURGH, NY

SUNY Plattsburgh

UNIVERSITY OVERVIEW

SUNY Plattsburgh is a public, residential college founded in 1889 and nestled on a scenic 300-acre campus in Plattsburgh, New York. With around 4,400 students, it offers a close-knit environment highlighted by a student-faculty ratio of about 15:1 and average class sizes near 20. It offers more than 70 undergraduate and graduate degree programs, including distinctive majors like expeditionary studies and robotics, and features hands-on learning through internships, undergraduate research, and study abroad in over 500 locations worldwide. SUNY Plattsburgh serves as a cultural and scholarly hub in the region, home to the Plattsburgh State Art Museum which employs a “museum without walls” approach displaying over 4,600 works across campus. Its NCAA Division III Cardinals athletic teams, including nationally successful women’s ice hockey, play in facilities like the Ronald B. Stafford Ice Arena, one of the country’s top venues for college hockey. Located about an hour south of Montreal, the campus balances a welcoming small-town ambiance with vibrant social life and access to the great outdoors. Students enjoy hiking, skiing, kayaking, and community activities both on and off-campus; students and alumni often describe the university as inclusive, community-driven, and rich in experiential opportunities.

HONOLULU, HI

University of Hawai‘i at Mānoa

UNIVERSITY OVERVIEW

The University of Hawai‘i at Mānoa (also known as UHM, or UH Mānoa) is a top-tier research, public co-educational research university as well as the flagship campus of the University of Hawai‘i system. The school is located in Mānoa, an affluent neighborhood of Honolulu, Honolulu County, Hawai‘i, United States, approximately three miles east and inland from downtown Honolulu and one mile (1.6 km) from Ala Moana and Waikīkī. The campus occupies the eastern half of the mouth of Mānoa Valley. The John A. Burns School of Medicine, part of the University of Hawai‘i at Mānoa, is located in Kaka‘ako, adjacent to the Kaka‘ako Waterfront Park. The University of Hawai‘i at Mānoa is accredited by the Western Association of Schools and Colleges from the western mainland U.S. and is governed by the Hawaii State Legislature and a semi-autonomous board of regents, which in turn, hires a president to be administrator. This university campus also houses the main offices of the entire University of Hawai‘i system. As an indigenous serving university, UHM delivers a unique multicultural global experience in a Hawaiian place of learning, with a long history of adherence to the essence of aloha—truly like nowhere else on earth. The University of Hawai‘i at Mānoa is one of only four institutions in the United States to be members of all four Land Grant, Sea Grant, Space Grant, and Sun Grant programs.

WELLESLEY, MA

Wellesley College

UNIVERSITY OVERVIEW

Wellesley College is a liberal arts college for women, located just outside Boston in Wellesley, Massachusetts. Founded in 1870 and opened in 1875, it is a member of the historic Seven Sisters and is known for academic excellence, global engagement, and its strong tradition of women's leadership. With around 2,300 students, Wellesley offers over 50 majors across the humanities, social sciences, and STEM fields. The College emphasizes small classes, close faculty mentorship, and a rigorous liberal arts curriculum. Students benefit from extensive research opportunities, well-funded internships, and access to a nationally recognized Career Education office. Nearly all students live on campus, fostering a close-knit, intellectually vibrant community. The 500-acre campus is often cited as one of the most beautiful in the country, featuring a private lake, botanical gardens, and notable architecture. Wellesley is committed to support all students who belong in a women's college environment. Wellesley has a powerful alumnae network and a legacy of producing leaders in politics, science, education, and the arts. Notable alumnae include Hillary Rodham Clinton and Madeleine Albright. The network actively supports students through mentoring and career development.
