

## KILLAM FELLOWSHIPS APPLICATION COURSE SELECTION FORM

## Instructions to Applicants and Advisors

Applicants require approval from their home institution's student academic advisor for the course selections at their proposed host institutions. Applicants must select more courses than needed to meet their credit requirements, as some courses may not be available should they be granted an award. Applicants should select undergraduate classes and be aware that some institutions may not provide classes for exchange students in many specialized programs. Selections must be approved and signed by a student academic advisor from the home institution.

| Applicant Name                                        |              |                   |            |          |                                |
