2024/2025
Fulbright Canada Research Chairs

Fulbright Canada offers American scholars unique professional opportunities to further ground-breaking research and foster lasting connections.

Take advantage of a wide selection of Fulbright Canada Research Chairs available at world-class universities and research facilities across Canada. Come and collaborate with Canadian researchers who are tackling the world's biggest challenges, such as climate change, food security, health, and artificial intelligence. Canadian institutions are eager to welcome you to their campuses and for you to share your exceptional knowledge with them.

Be a part of the worldwide network of Fulbright alumni who have benefitted from the unparalleled opportunity to advance their research goals by adding a global context to their careers.

VALUE

Awards range from US$25,000 to US$50,000 and from four to nine months. Awards typically begin in either September 2024 or January 2025.

Other benefits include a two-day academic and cultural orientation program in Canada's capital, the opportunity to travel beyond your host city to lecture, attend conferences, or collaborate with your colleagues in other regions of Canada, and a health benefit plan.

ELIGIBILITY

Applicants must:
- Be U.S. citizens
- Hold a Ph.D. or equivalent professional/terminal degree
