

# FULBRIGHT MITACS AWARD

## internships for US Students

Fulbright Canada- Mitacs Globalink Internship awards are intended for US undergraduate students, who wish to conduct a research internship in Canada.

Awards will be chosen from a pool of available projects in Canadian universities.

- Grant up to CA\$7,800 for 10 to 12 weeks between May and August.
- The opportunity to connect with potential graduate supervisors should you be interested in returning to Canada for graduate studies with a Graduate Fellowship

### RESEARCH AWARDS

Intended for students enrolled in a undergraduate program at a US university who wish to conduct research in Canada that will support their US degree.

### PROJECTS

Projects will be drawn from a broad cross-section of research topics covering all academic disciplines. Students will be placed with a university research project and under the supervision of a professor.

### ELIGIBILITY

Be a US citizen, registered and currently studying at an accredited university located in the US

Be a full-time undergraduate student with one to three semesters remaining in their program as of Fall 2023
